No. 603

**GOVERNMENT OF SIKKIM
TRANSPORT DEPARTMENT.**

No. 21/T

Dated: 3/11/2010

NOTIFICATION

In supersession to Notification No. 10/TD dated 14.09.2004, this is to announce that henceforth the Government will allow concession on supervision charges levied by Transport Department (SNT Division) for transportation of raw materials such as cement, bricks, etc. only for the purpose of construction of buildings for religious purpose, educational institutions, hospitals, destitute homes (by private parties) or any other benevolent or social activities for the cause of humanity.

The concession will also be extended to BPL category certificate holders of Sikkimese origin.

To avail the concessional rate, the applicants will have to submit approved Blue Print Plan (BPP) from the UD&HD or a report from the District Collector concerned that his/her house is being constructed for individual personal use other than commercial purpose.

The concessional rate of supervision charges will be @ ₹ 0.35 per ton/per km for transportation of material from Siliguri to any destination within the State of Sikkim. The total load permissible is 8 tons and maximum number of transportation allowed to a single individual is 5 trips only.

The Principal Chief Engineer-cum-General Manager will only be the authorized person to issue permit.

By order

**KT Chankapa, IAS
Secretary to the Govt. of Sikkim
Transport Department.**
